

## Camp Harmattan Association - Board of Directors Opportunities

Join the legacy of Camp Harmattan, a registered, not-for-profit, Christian Camping facility nestled along the scenic banks of the Little Red Deer River, just 27 km West of Olds. Established at this idyllic site since 1955, our camp has been dedicated to the provision of camping experiences for children, youth, adults, and Nazarene Churches within the Canada West District. Committed to serving a broader community, we extend these outstanding facilities to other churches, groups and agencies within an area of approximately 250 km of Olds, Alberta. Immerse yourself in the history, embrace the community, and be part of the inspiring journey at Camp Harmattan where God's presence is woven into every moment at Camp Harmattan.

The Board of Directors operates as a Governance Board. The Board provides Insight, Foresight, and Oversight, operates under an established set of Bylaws, and is responsible for developing and supporting the Strategic plan, Values, Vision, Mission and Objectives of the organization. As a Governance Board, it also provides the outcomes expected from the camp management team. The Management Team executes on the strategic plan, and is responsible for achieving the outcomes through the day-to-day operation of the camp.

Board members are elected for 3 year terms, normally with a maximum of 2 terms before taking a one year leave, at which point they can be re-elected.

As part of the Board's succession planning, and the issues the Board deals with, the following areas have been identified as those where it would be advantageous to have members with the appropriate knowledge and skills on the Board:

Governance Board operation	Legal Issues
Financial Operations	Human Resources
Facilities Planning	Communications
Fundraising	Strategic Planning
Technology
